# Principal Ras Baraka

2014 has been a transformative year for me, as it will be transformative for you. I have moved to another stage in my life that will require more focus, more discipline and a greater sense of purpose and commitment. My story is the same as yours and yours even more important and rewarding. You are about to start the rest of your life and as everything you know is coming to an end it is also just beginning. Be humbled by the greatness of this moment but also clear that the world is your canvass. It has been beautiful watching many of you grow and I look forward to the impact you will have on our city and the world. Remember you are beautiful on purpose. You are outstanding and you are already a success. Congratulations class of 2014. God bless you and Godspeed.

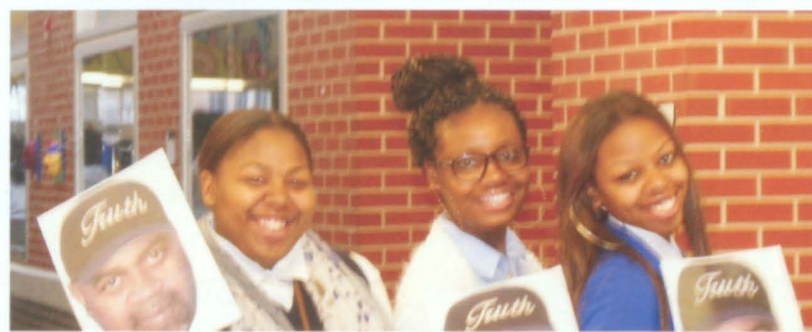

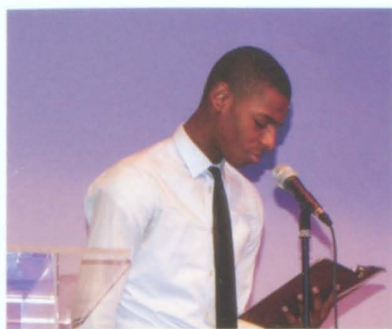

# RAS BARAKA DAY

December 6th will forever be Ras Baraka day. We thank him for his leadership and dedication to the students, staff, and families at Central High School.

# 12.06.13

Seniors,

There are so many things that I can tell you. Let me first remind you of what I say all the time: "YOU ARE THE GRADUATING CLASS THAT MADE CENTRAL LOOK GOOD!" You have accomplished so much. You have gotten the highest test scores in years, and you also have one of the highest graduation rates. Thank you for giving your best. But this is just the beginning. You have long productive lives ahead of you. Please, I beg you, never to live small. Dare to do things that your peers are not doing. Accomplish the unexpected. Set high standards for yourself. The achievements you accomplished here pale in comparison to what you can accomplish after your graduate. If someone asked me what would be ten tips I can give you to ensure a successful life, I would say the following: 1) Put God first 2) Go back to school 2) Expect to work hard 3) Excel in all that you do 4) If you fail, try again 5) Make your family look good 6) Be good citizens 6) Fulfill your life's purpose 7) Make Central proud 8) Avoid negativity 9) Never be afraid to succeed 10) Be humble always

I hope that if I have taught or shown you anything it was the following: the marriage of humility and power, grace under stress, resiliency after defeat, rewards of hard work, constant striving for excellence, that a big idea is accomplishable, and that the best way to silence the naysayers is to succeed anyway. I love you dearly CLASS of 2014. I love Central! BIG BLUE

P.S. When I'm an old lady and you have your fancy jobs, remember to take good care of me!

Your principal

### Social Groups Contribute to Social Growth at Central

Students in their group during the interlocking day performance of the year's show.

By Daneshah A. Fierell

Staff Writer

"Where My Trade at, Oh

Tell me Don't My Sister, Yeah

Yeah Yeah, EKKO EKKO, It's

Just a Few Things SOE SOE SOE."

Although these outside of our

Central High School family may

not understand these words, this

language creates special bonds

within Dig Blue's already close-

knit community. These are the

chants of the different groups of

beatboxers and dancers at

Central that are set up to change

the culture of the school.

It all started 6 years ago

when 5 boys decided to start

change by just dressing up on Fri-

days. From there, more groups

formed each year. Now, 6 years

later, Central has over 15 groups

with more than 200 students.

One goal these groups

share is a mission to give back

to the community. Every year

around the holidays two groups,

M.E.N. and Doo, have food drives

to give to the less fortunate. M.E.N.

gives to different grade schools in

the community in attempt to en-

power them with the importance

of education. TBA and M.O.B.

have toy drives to give to chil-

dren who have less than them.

These are just some philantrop-

ic activities Central High School

social groups practice.

"Even the shyest and

most quiet students

have found their voices

and gained confidence from these

groups. Conversely, the groups

have humbled these

students who have

needed that humbling."

The sister and brother-

hoods also like to have fun, which

leads to some friendly competi-

tion. The male groups sponsored

its first annual basketball

tournament where TBA was

crowned the winner. Last year

the first annual MOB step show

was showcased for all to see,

where Doo and M.E.N. were

crowned the winners. Both groups

will have the opportunity to de-

fine their title on Friday, May 30.

People seem to have a lot

of opinions about Central High

School social groups, but when it

comes to the culture of Central

High School these groups have

succeeded in contributing to a

positive culture in both the school

and the surrounding community.

Even the shyest and most quiet

students have found their voices

and gained confidence from these

groups. Conversely, the groups

have humbled these students who

have needed that humbling.

Thanks to M.O.B., B.M.S., S.O.E.,

EKKO, M.E.N., S.H.E., D.O.O., M.E.N.,

TBA, W.T.C., S.I.S.T.A.R., P.U.R.E. and

WOMEN, Central will forever be

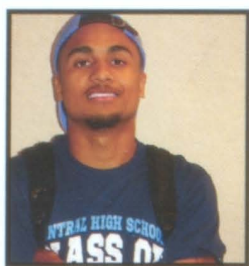

the best high school in the city of

Newark.

# I Am

I am beautiful on purpose.  
I come in many shades and styles.  
I am outstanding  
From the way I walk to the way I talk  
I am intelligent  
And  
I can do whatever I put my mind to  
And create whatever I think of  
I am already a success  
Because I study, I learn, and I work hard  
My school needs me  
My family needs me  
And my community needs me  
I will let nothing or no one stand in my way  
I am the faith my ancestors prayed with  
I am the change my people hoped for  
I believe in myself  
And I owe it to myself to be the best  
Because I know the best thing in the world to be is me  
Knowing  
The world is because I was  
And it will be because I am!
